

I am honored to welcome you to attend the second meeting of the International Medical Meeting Professionals Association (IMMPA). It is with great pleasure that I invite you to this conference experience dedicated to planners and suppliers who work within the healthcare industry. The presenters and attendees you will meet are passionate individuals driven by the goal of improving the strategic and logistical outcomes of the philosophy, standardization and principles of medical planning education."

Top 10 Reasons to Attend

The 2010 IMMPA Conference, with its theme "Healthy Meetings & Events START WITH YOU," is the place for inspired educators to unite on behalf of medical and healthcare planner and supplier learning. Here are the top 10 reasons for attending:

1. Support and Participate in the only association dedicated to medical/healthcare meeting professionals.

Dedicated to advancing excellence in education through knowledge, certification, and professional services, IMMPA creates the world's only dedicated education community, representing medical meeting professionals including hospital/medical centers, pharmaceuticals, animal health, medical device, biotech, sports medicine, medical associations, academe, government, medical education, public and private medical sectors and suppliers serving in our global community.

2. Learn from Leaders and Recognized Speakers

Listen to the experts for insight, intellectual stimulation, and idea generation for solving your latest professional challenges.

3. Gain Insights into Future Trends and Issues

The 2010 IMMPA Conference is dedicated to those educators who are committed to influencing the future of learning and to ensuring attendee preparedness for tomorrow's world. Build your vision for the future while collaborating with experts and your peers.

4. Receive IMMPA Certification Information

Attend this conference to learn from IMMPA's Certification Board President, and explore the CMMP (Certified Medical Meeting Professional) process. Discover what you need to know to take next steps in certification.

5. Find Practical Solutions to Education Challenges

Prepare yourself and your company with wisdom from practitioners in the medical/healthcare planning field.

6. Rekindle your Professional Vision, Mission and Passion for Education

The 2010 IMMPA Conference is a unique and powerful way to remember why you began your journey...and to rekindle

your commitment and refocus your efforts to achieve desired results.

7. Learn the Impact of Codes, Standards and Mandates and how they Affect Your Medical Meeting Planning

Leading experts in healthcare compliances will talk about the mandates affiliated with medical meeting planning.

8. Professional Growth and Wellness

Expand your knowledge base and skills and learn firsthand how to not only produce healthy meetings, but gain insight into keeping yourself healthy and physically fit.

9. Discover What's New

Vendor booths will allow you to review the latest venues and innovations within the industry.

10. Help the Association

The purpose of IMMPA is to develop, expand and enhance the professional knowledge and status of the profession you belong to. Your participation in the Conference will not only support you professionally, but also help the association grow.
